

TRULIANT[®]

TOTAL KNEE SYSTEM

EXPECT THE EXPECTED.

It's all about outcomes. And the ability to have reliable, reproducible results. The Truliant[®] knee system features all new instrumentation, ergonomically designed for ease of use. Your choice of mechanical and computer-assisted workflow options, for use with a full portfolio of primary and revision implants. For results you can expect.

Experience the power of Truliant at the AAHKS Annual Meeting, Booth #300.

The Rest Is In Your Hands.
