

XE SERIES HELICOPTERS

XET / XE290 / XE / XEL

COMPOSITE-FX

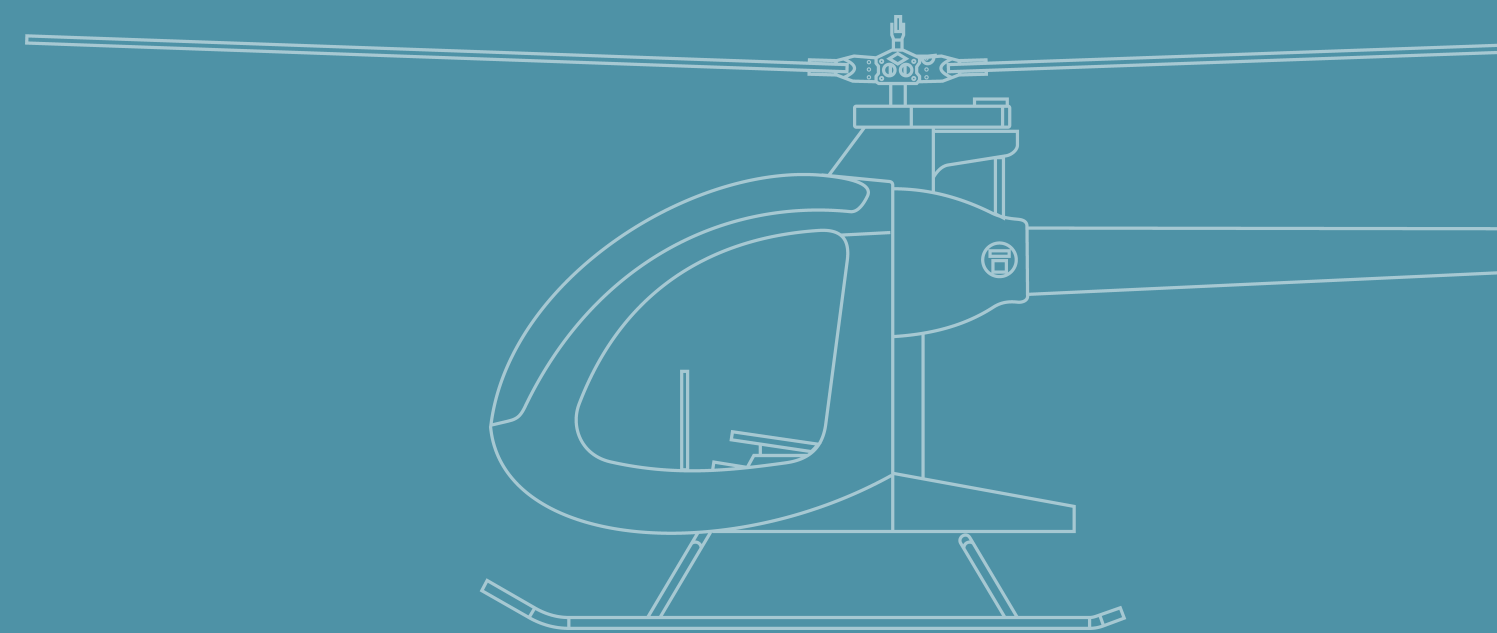

Hundreds Made. Thousands of Airtime Hours.

Composite-FX builds four models on the XE platform. Since inception, over four hundred kits of varying models have been delivered in either kit form or factory-finished.

XE

The single seat XE platform has tens of thousands of airtime hours.

With countless testimonials and an enthusiastic owners group, the XE is an affordable, high performance machine for helicopter enthusiasts.
