MADE IN USA

AccuTuff™ 340
digital thermocouple thermometer

Wrap&Stow™

Wind cord and secure probe into side channel for protection and convenience.

Exclusive TuffTemp™ Construction

Rugged extruded aluminum housing helps ensure reliable performance even after repeated drops onto concrete, and exposure to high temperature.

Switches quickly from Fahrenheit to Celsius

Large, easy-to-read LCD screen

Probes can be easily replaced at your location

Molded endcaps for shock/impact resistance

Turns off after five minutes of non-use

Water resistant construction

Heavy duty patented probe cable is reinforced with Kevlar® and stainless steel braid

ATKINS™
TEMPTEC

- Accuracy: $\pm 0.9^\circ\text{F}$ ($\pm 0.5^\circ\text{C}$)
- Range: -40°F to 500°F
(-40°C to 260°C)
- Resolution:
Fahrenheit – whole degree
Celsius – tenth degree
- Warranty: Instrument – 5 years
Probe – 1 year
- Battery Type / Life:
Single AA / 1000+ hours

digital thermocouple thermometer

Wrap & Stow™

Wind cord and secure probe into side channel for protection and convenience.

Exclusive TuffTemp™ Construction

Rugged extruded aluminum housing helps ensure reliable performance even after repeated drops onto concrete and exposure to high temperature.

Water resistant construction

Easy twist-open battery hatch, single AA battery, included

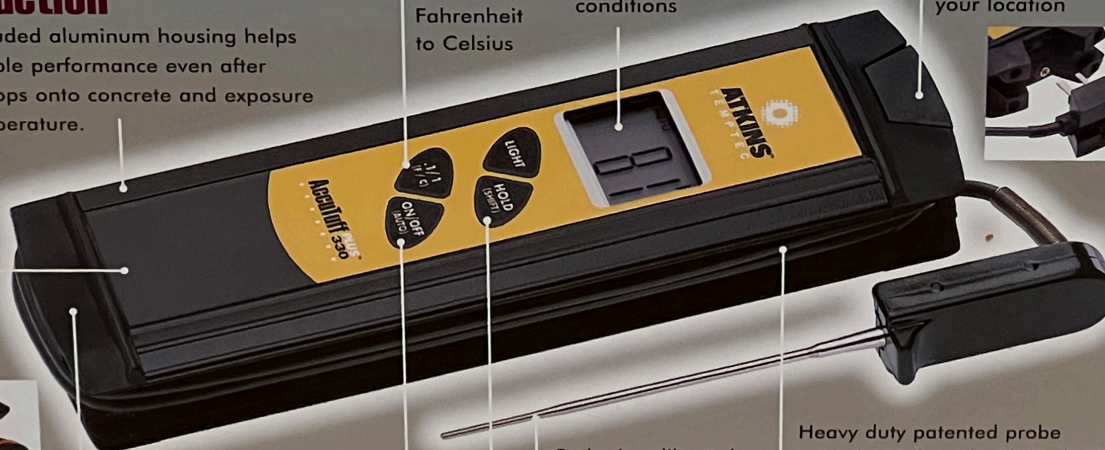

Molded endcaps for shock/impact resistance

Turns off after five minutes of non-use

Switches quickly from Fahrenheit to Celsius

Large, easy-to-read LCD screen with electroluminescent backlight for low light conditions

Probes can be easily replaced at your location

Probe is calibrated with instrument for Total System Accuracy™

Hold button "freezes" current reading

Heavy duty patented probe cable is reinforced with Kevlar® and stainless steel braid

- Total System Accuracy™ (Instrument & Probe):
 $\pm 0.9^\circ\text{F}$ ($\pm 0.5^\circ\text{C}$)
- Range: -40°F to 500°F
(-40°C to 260°C)
- Resolution:
whole / tenth degree switchable
- Warranty:
Instrument – 5 years
Probe – 1 year
- Battery Type / Life:
Single AA / 1000+ hours
- NSF Models Available

NeatFold™

Easy One-Person Sheet Folding!

- Removable or permanent mounting (hardware included)
- Keep sheets from touching the floor while folding
- Great gift idea!

NeatFold™

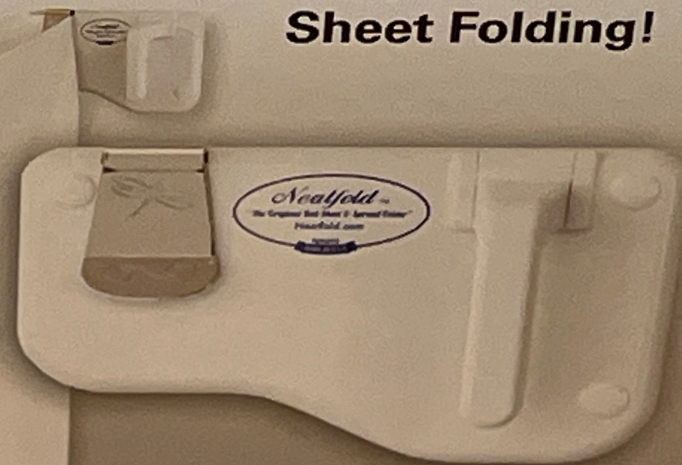

Easy One-Person
Sheet Folding!

- Bed Sheets
- Fitted Sheets
- Table Linens
- Tarps

See how it works!

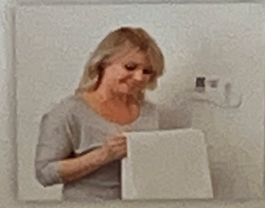

NeatFold™
Easy One-Person Sheet Folding!

- Removable or permanent mounting (hardware included)
- Keep sheets from touching the floor while folding
- Great gift idea!

NeatFold™

Easy One-Person Sheet Folding!

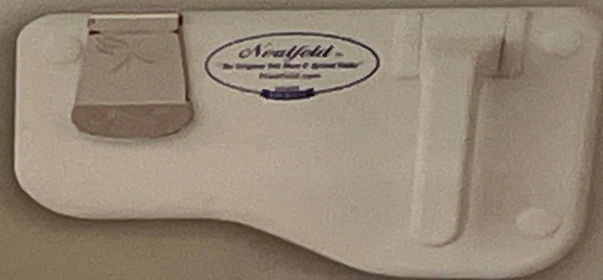

Fold sheets by yourself in just a few easy steps.

Mounting Hardware Included:

- Sturdy **permanent** installation with double-sided tape or wall anchors
- Convenient **removable** installation with super-grip suction cups

- Bed Sheets
- Fitted Sheets
- Table Linens
- Tarps
